

## ACKNOWLEDGMENT OF NOTICE AND RELEASE

I, \_\_\_\_\_, state that I have been advised by Jendro Sanitation as to the proper use of a dumpster rented or received from Jendro Sanitation by myself.

In particular, I have been advised, that if the dumpster is placed upon concrete, any other man made surface, and/or any type of natural surface, that the weight of the dumpster itself, empty or full, or the equipment being used to place or retrieve the dumpster may cause said concrete or man made surface to crack or break or said natural surface to be dug up and/or sunk into because of excess weight.

I further state that any damage caused as a result of the above will not be the responsibility of Jendro Sanitation. I hereby release said Jendro Sanitation from any liability from any such damage. I further hereby state that I will indemnify and hold harmless the said Jendro Sanitation for any damage caused to third parties as a result of the above.

I hereby certify that this load and any future load(s) do not contain any hazardous materials, appliances, televisions, computer monitors, tires or yard waste.

Furthermore, I have been advised by Jendro Sanitation that dumpster rental charges may be assessed for any dumpster that is not dumped at least once every fifteen days. (Rental charges vary by size of dumpster.) I agree that any dumpster that is over level full or any items picked up around the dumpster will have an extra charge. I have also been advised and agree to pay a \$25.00 insufficient fund fee if my check is returned by the bank.

Finally, I agree to pay any additional charges assessed by the FMC Landfill. Also, if the material I have placed in the dumpster is rejected by the landfill, I agree to reimburse Jendro Sanitation for any additional truck time at \$75.00 per hour.

ACKNOWLEDGED this \_\_\_\_\_ day of \_\_\_\_\_, 2012.
